

DuraProtect®

Laser Patient ID Wristbands

Superior Protection of Patient Information

The DuraProtect® line of laser wristbands surpasses wristbands of yesterday with technology and innovation. Engineered with advanced synthetic materials and intelligent design, DuraProtect® delivers optimized performance, reliability, and ease-of-use.

- **Protective Laminate Shield** Withstands fading, moisture, rubbing, alcohol, and hand sanitizer to ensure reliable barcode scanning at the bedside.
- **Print-and-Peel Design** Easy to assemble, simplifying the patient intake workflow and saving valuable staff time.
- **Soft Synthetic Material** Provides optimal patient comfort without sacrificing long-term durability.
- **Drop-In Formats** Allows for simple, immediate implementation with your facility's existing laser printers.

DuraProtect®

Laser Patient ID Wristbands
