

Edikio *Guest Access*

An affordable printing solution for all your monochrome cards and labels

Edikio Guest Access is an all-in-one solution for customizing and printing monochrome labels and cards used in the hospitality market.

It lets you print visually-appealing display labels for buffets and multi-purpose cards on credit card-sized backing. Edikio Guest Access includes everything you need to get started:

Edikio Guest Start Edition: an effective and intuitive software

Edikio Guest software is designed for creating and printing buffet labels and other cards, in just a few clicks:

A single program dedicated to all your business needs

Creation and management of all cards for your customers:

- Buffet display labels
- Other cards to highlight your service offer (event cards, promotional and gift cards, privilege cards, access cards)

Easy to understand, even for new users

- As simple to use as any other office software
- Creation wizard for labels and cards
- Intuitive information management including import from Excel, .csv and .txt files

Extensive content

- Over 200 monochrome card and label templates to suit all purposes
- Over 350 images for you to choose from

Upgrade to the PLUS edition of the software to benefit from these exclusive features:

- Password-protected template locking
- Import your data from another document created with Edikio Guest
- Automatic duplicate management
- Wizard for manual printing of double-sided cards
